

What you need to do now

Transitioning to the new Child Care Subsidy is not an automatic roll over from the two current payments.

You must provide some new information and confirm your current details using your Centrelink online account through **myGov**.

You will be asked to provide:

- your combined family income estimate for the 2018–19 financial year
- the hours of recognised activity including work, training, study and volunteering
- the type of child care your family uses.
