

GBOOSH AGM

*You are invited to join us for the 2024 AGM
Gymea Bay Care and Leisure Centre Inc*

Gymea Bay OOSH is a not-for-profit community based organisation providing quality before school, after school and vacation care services on the grounds of Gymea Bay Public School.

Each year a group of volunteer parents puts forward nominations to join the committee. The Committee works in consultation with the Centre Director and Coordinators to oversee the financial and operational management of the service.

GBOOSH is in the process of negotiating an extension of it's current license, allowing the service to operate as a parent-run organisation until October 2025.

In the future, the NSW Government requires GBOOSH to merge with the GBPS P&C Association to bring together the two parent bodies. To ensure a successful transition with benefits to the community, GBOOSH needs to ensure families are actively involved in this process.

Please join us to find out more and get involved!
