

PLEASE JOIN US FOR OUR AGM

Gymea Bay Care & Leisure Centre

Gymea Bay OOSH (GBOOSH) is a not-for-profit community based organisation providing quality before school, after school and vacation care services on the grounds of Gymea Bay Public School.

Each year a group of volunteer parents puts forward nominations to join the committee. The Committee works in consultation with the Centre Director and Coordinators to oversee the financial and operational management of the service.

The NSW Government requires GBOOSH to merge its operations with the GBPS P&C Association to bring together the two parent bodies. This process is already underway, so to ensure a successful transition with benefits to the community, GBOOSH needs to ensure families are actively involved in this process.
